

SYSU-REID DATA USE AGREEMENT

The SYSU-REID Dataset is created by Prof. Jian-Huang Lai, Dr Chun-Chao Guo and Mr Shi-Zhe Chen. It is used for person re-identification, person image retrieval, and so on. The SYSU-REID Dataset is for academic or educational use, but not for commercial use.

If our SYSU-REID Dataset facilitates your research, please kindly cite our paper:

```
@inproceedings{guo2014multi,  
  title={Multi-shot person re-identification with automatic ambiguity  
inference and removal},  
  author={Guo, Chun-Chao and Chen, Shi-Zhe and Lai, Jian-Huang and Hu,  
Xiao-Jun and Shi, Shi-Chang},  
  booktitle={22nd International Conference on Pattern Recognition},  
  pages={3540--3545},  
  year={2014},  
  organization={IEEE}  
}
```

The right of final interpretation belongs to Prof. Lai' s research group, Sun Yat-sen University.
